• Call to Order: The meeting was called to order at 5:35 p.m. by Chair Davison.

Roll Call: Ms. Brhel called the roll.

- **Welcome Guests**: Chair Davison welcomed everyone in the Board Room as well as those participating on Zoom. She introduced Renae Moore, Deputy Clerk of the Board of Trustees.
- **Approval of Agenda**: Ms. Buck moved the Board of Trustees January 17, 2023 meeting agenda be approved as submitted; seconded by Ms. Dale-Hall; motion carried unanimously.
- Public Comment: There were no requests for public comment.
- Approval of Board of Trustees Meeting Minutes: Ms. Perfetti moved that the minutes from the December 20, 2023 Board of Trustees Meeting be approved as submitted; seconded by Mr. McSherry; motion approved unanimously.
- Chair's Report: Chair Davison thanked Board members who were able to complete the Board self-evaluation. Copies of the evaluation results been distributed to all Board members. She asked Board members to review the document and the Board will discuss at a future date and will be included in the summer Board retreat. She offered sincere appreciation to Jan Brhel for her work as Clerk to the Board. Jan's last day with TC3 will be Friday 2/2.
- CFO/Treasurer's Report: Sophia Darling was unable to attend the meeting. President Kremenek and Comptroller Dennis Panagitsas gave brief updates and answered questions from Board members. President Kremenek noted the budget process is in the beginning stages and she and Sophia Darling VP for Finance and Administration are scheduled to meet bi-weekly through June to facilitate the process. They will have a budget briefing for the Board members and provide a tentative budget in April and a final budget for the Board's approval at the May meeting. Mr. Panagitsas gave a brief update on the audit process that has been underway for the College, Foundation and FSA (Faculty Student Association). The audit is expected to be completed by the end of January. The auditors are planning to give a report on the audit findings at the February Board of Trustees meeting.

 Student Trustee's Report: Romneya Quennell stated she was back on campus but due to students being on winter break following the December Board meeting she had no report this month.

• County Liaison Reports:

- a. Cortland County Ms. Bischoff noted that Cortland County is working on a 5-year plan. They hope to start the budget process early this year. Homelessness is a growing concern. The county is looking at how best to deal with this concern when they have very limited resources to meet the need.
- b. Tompkins County Mr. Lane noted that Dan Klein is the new Chair for the Tompkins County Legislature and Shawna Black is the Vice Chair. Mr. Lane will serve as the Chair of the Finance Committee. The Tompkins County Legislature passed a resolution for community college funding at the NYS level. They have a list of people who will be sent this resolution.
- College Senate Report: There was no report since College Senate had not met over winter break. Co-chairs Sayre Paradiso and Amy Faben-Wade were unavailable to attend this meeting.

Committee and Affiliate Reports

- a. TC3 Foundation: President Kremenek recognized Sheila Abbey for moving things forward while the search for the Executive Director continues. There are 6 new Foundation Board members and Regina Grantham is the new Chair of the Foundation Board. President Kremenek will meet with Foundation Chair Regina Grantham and Chair of the Board of Trustees Judy Davison to discuss ways the two boards can work together. Athletic Director Mick McDaniel is the chair of the search committee for the Executive Director of the Foundation. They hope to have candidates on campus the 2nd week of February. There were 15 applicants for this position.
- b. Auxiliary Operations: President Kremenek noted that Scott Riesenberger has been hired as Executive Chef/Interim Director of Operations for Coltivare. The initial push will be to develop a business plan and set up a meeting for the Advisory Board. Mr. Lane thought the timing of this hire was good as the Conference Center in Ithaca is in its final stages. The Park Foundation has approved funding for Phase 2 of the Feasibility Study. They will work with students during this phase. The College secured \$80,000 for a SUNY Transformation Fund to support transfer partnerships with SUNY Cortland and Cornell University. Similar conversations will take place with SUNY Oswego.
- c. NYCCAP: President Kremenek noted the NYS budget was released yesterday with 100% of the floor funding in it. President Kremenek has spoken with Assemblywoman Anna Kelles and State Senator Lea Webb.
- d. New York Community College Trustees (NYCCT): Trustee Buck noted there is a meeting on January 30th at The Egg in Albany from 5:30 – 7:30 for trustees and presidents to discuss Advocacy with legislators. Anyone interested should contact Trustee Buck. Ms. Quennell noted that members of the student government have also been invited to attend. The annual NYCCT Board of Directors meeting in April will be held in Syracuse.

- President's Report: President Kremenek asked if there were any questions for the Vice Presidents on their reports. No questions were asked. President Kremenek stated that Opening Day for faculty and staff on January 16th was well attended. The current strategic plan will wrap up this year and plans are in place to prepare the strategic plan for 2025-2030. All College policies will be reviewed and updated in the near future.
 - a. VP for Student Affairs Seth Thompson gave a short presentation on Residence Life. PowerPoint slides are attached to these minutes. He noted the changes in numbers from academic year 2020 to 2023. He discussed programming that will be provided in the upcoming semester to include some thematic living programs. The focus will be to have residential life support living-learning communities.
- **Consent Agenda**: Ms. Buck moved the Consent Agenda be approved as submitted; seconded by Ms. Michell-Nunn; motion carried unanimously.
 - a. Appointment of Personnel
 - b. Disposal of Surplus Property
 - c. Job Posting Services
 - d. Approval of Position Description Assistant to the President
 - e. Approval of Position Description Dean of Admissions & Recruitment
 - f. Approval of Position Description Director of Auxiliary Operations
- Discussion Items: Patty Tvaroha, TC3 Delegate to FCCC (Faculty Council of Community Colleges) and Dr. Cindy Whitney, TC3 Alternate Delegate, provided a presentation on what FCCC is, the committees that make up FCCC, and current initiatives FCCC is working through. The PowerPoint slides are attached to these minutes. A binder of FCCC information was given to Chair Davison.
- Informational Items
 - a. February 21, 2024 Board Presentation Auditors (*This report will occur in March*.)
- Executive Session: Ms. Dale-Hall moved that the meeting convene into Executive Session with no action to be taken and no further business expected at 6:30 p.m.; seconded by Mr. McSherry. President Kremenek and John Geer were invited to join Executive Session. There was a short break in between open session and executive session. Executive session began at 6:55 p.m.

Motion to go back into open session at 7:45 p.m. moved by Mr. Corbin; seconded by Ms. Dale-Hall; approved unanimously.

• **Adjournment**: Ms. Michell-Nunn moved the meeting be adjourned at 7:45 p.m.; seconded by Mr. McSherry approved unanimously.

Jan Brhel Clerk to the Board of Trustees

**Public Comment: Provision is made at this point in the agenda for citizens of the College community to make comments regarding any agenda item to be discussed at that meeting. Citizens will not be recognized at any other time except at the request of the Chairperson after approval for such recognition by a unanimous vote of the Trustees in attendance. No person, not a member of the Board, shall speak for more than five (5) minutes without specific approval of a majority of the Trustees. The minutes shall show that privilege of the floor was granted and shall include a brief statement of the subject matter presented.

VP of Finance & Administration Report January 2024 Close

Budget and Finance

In January, the Budget and Finance office spent considerable time generating tax forms for students and vendors. Additionally, time was spent in finalizing external auditor questions.

The Department is also focused on refining and implementing processes and polices to enhance services to our students and administration.

Revenues for the current fiscal year are trending favorably against budget. We do not anticipate any significant deviations at this time.

Expenses at this time are trending close to budget, and no significant variances are noted.

Financial Aid Update

Financial aid continues to package students for the spring semester while also adding anticipated aid to student accounts. Outreach efforts continue to students registered for the Spring 2024 semester who do not have a FAFSA filed. Assistance is offered to help with these filings. Financial aid is also being prepared to be disbursed for the Spring 2024 semester.

The FAFSA form is open for 2024-2025 and the department continues their training to best serve our students. Policies and documentation continues to be reviewed and updated to align with the new regulations surrounding the new FAFSA form. The Department of Education, unfortunately, has to correct an error on the FAFSA form that relates to income protection allowances to account for inflation, and this has pushed back when schools will start receiving information on students who have completed FAFSA's.

We have started visiting local high schools, such as Homer and Spencer VanEtten, to hold FAFSA filing events with current high school seniors. There are additional schools on our list, which include McGraw and Groton. These informational visits are offered to local high schools during the evenings so that parents may join their students regardless of whether or not the student is planning to attend TC3. These have been very well received.

We are also planning various FAFSA events for our current students, and will focus on specific interest groups such as Athletics and EOP. These events will be open to all of our current students with invitations sent.

Registration and Billing Update

Registration and Billing has been extremely busy registering students/adding/dropping classes and pursuing payment.

SUBJECT: President's Update

The following update reflects progress toward the President's goals approved by the Board of Trustees. The goals are organized by the following four focus areas: Student Enrollment and Retention, Campus Institutional Resources and Assets, Campus Community Engagement and Participation, and External Community Partnerships and Collaboration.

STUDENTS: ENROLLMENT AND RETENTION

- The spring 2024 semester began on Monday, January 22, 2024. Core enrollment is currently up by 13.3% with 1,373 students enrolled. Enrollment is up in all categories, including continuing students (+8.8%), transfer (+12.8%), full-time students (+15.5%) and part-time (+10.6%). Enrollment by FTE is up 14.3% overall. New students hover between flat and down (currently -1.7% in headcount and +0.3% in new FTE). We continue to refine processes and structure to address this deficit as well as continue the climb back to pre-pandemic enrollment levels.
- The importance of Slate, the College's customer relationship management (CRM) system cannot be understated. I commend VP of Enrollment Management Richard Floyd for his continued diligence and urgency to address systemic issues with the implementation, including investing in SUNY-sponsored training for six TC3 employees as well as urging the addition of a new Slate Captain position.
- ➤ Work on the College's Strategic Enrollment Plan continues in earnest. Five workgroups consisting of 35 faculty and staff have been organized, focused on Academic Programs Mix, Admissions & Recruitment, Data & Technology, Finance & Financial Support, and Student Experience & Retention. The College's consultant from Ruffalo Noel Levitz will be on-campus on March 12 and 13 for working sessions with the teams focused on data, a SWOT analysis and key performance indicator sets. The RNL engagement concludes on 6/30/24.
- ➤ The student-focused World Café took place on 2/1/24 in the Forum with approximately 50 students in attendance. Valuable feedback and input relative to student retention is being assembled into themes, which will then be cross-reviewed with the data gathered from the October World Café with faculty and staff.
- The College's application to the National Institute for Student Success was accepted, providing an opportunity for the College to affiliate with leading and best practice experts to support efforts to strengthen student retention. We will be matched with a grant-funded coach that works with institutions to identify and remove policy, practice and structural barriers to student completion and close equity gaps.
- The College submitted to SUNY additional information for the \$80,000 grant to support strengthening transfer partnerships with SUNY Cortland and Cornell University. Our effort is entitled, *Network for Collegiate Transfer*, with the majority of funding intended for student engagement and exchange initiatives, as well as professional development for faculty/staff, marketing and transportation.

CAMPUS: INSTITUTIONAL RESOURCES AND ASSETS

- ➤ A request for proposals to develop the College's Facilities Master Plan was issued, with responses due 2/29/24. The College does not have a current FMP in place, which limits the ability to plan, strategize and secure funding from public and private sources. A robust process to review external needs, catalog current assets and maintenance requirements, and secure campus input will be key to the success of the overall process and plan.
- The new position of Chief Policy & Compliance Officer has been filled by an internal candidate, Carolyn Boone, JD. She will begin in this capacity on 3/4/24 as a member of the senior leadership team and will report to me. Among the first priorities are to review the College's current policies, assemble additional campus/ departmental-level policies and work with the senior leadership and external counsel to update and develop a Centralized Policy Manual and associated practices. Board-level policies will be updated/developed and presented for Board approval as work proceeds.
- Advocacy efforts led by the NY Community College Trustees (NYCCT) and the NY Community College Association of Presidents (NYCCAP) for the \$97 million Empire State Community College Workforce Guarantee. The College worked with both Cortland County and Tompkins County Legislatures to present resolutions of support, both of which were passed. In addition, I attended an NYCCT-sponsored advocacy event in Albany on 1/30/24.

CAMPUS COMMUNITY: ENGAGEMENT AND PARTICIPATION

- ➤ The annual Opening Day for the spring semester took place on 1/16/24. Updates included enrollment, strategic planning, college policies, 2024-25 budget, Middle States, and facilities/capital improvements. The event was well-attended by faculty and staff.
- The College's new "employee of the month" program has been launched. Selection will be coordinated by an internal employee committee and recognized employees will receive a gift certificate, special gift and photo. I would like to commend the Human Resources department for their efforts to organize this initiative. I am looking forward to recognizing our many outstanding faculty and staff.
- The annual Mid-Winter Day on 2/21/24 will include a review of the College's Mission, Vision and Values, held using the now-honed World Café format and supported by the College's PEAKS Leadership Program alumni. This is the first step in the development of the successor Strategic Plan.

EXTERNAL COMMUNITY: PARTNERSHIPS & COLLABORATION

- The 2023 Annual Report to the Community has been distributed both electronically and via hard copy to community leaders, elected officials, donors and supporters. I would like to recognize the College's Strategic Marketing department for their outstanding work on this annual report, which has been well-received.
- ➤ The College is partnering with the Cortland Chamber of Commerce and the Tompkins Chamber of Commerce to host a "Business After Hours" event on 3/13/24. The program will include an update on college progress, guided tours of our new science and technology labs, opportunities to see our student support services, food stations and beverages. We will offer a special recognition for college alumni.

Provost Report February 2024

Assessment: We held two assessment-related meetings during the week prior to the start of the semester.

Meeting One: ILO on Critical and Creative Thinking (Closing the Loop): This meeting focused on a draft of a Provost Report on Academic Assessment in 2023. The document contains information about assessment of Institutional Learning Outcomes (ILO), Program Learning Outcomes (PLO), SUNY General Education, Comprehensive Program Review, and any other related assessment work that took place last calendar year.

ILO on Sustainability/Diversity (Looking Forward): This meeting focused on the assessment work that will happen in 2024, especially as it relates to the Diversity/Sustainability ILO, which is the next one to be assessed in our cycle. The meeting provided time for each academic community to develop an action plan for this assessment work for the coming year. We also addressed the SUNY General Education assessments and Comprehensive Program Review work for the coming year.

Finally, the Assessment Committee is currently reviewing a draft of an Academic Assessment Policy, and we are working to create a workflow document for our assessment procedures. I'll also ask the committee to review the aforementioned Academic Assessment Report for 2023 as well as a Report that chronicles our work in assessment from 2018-2022. Those two documents, when completed, will show the work we have done as a campus in assessment over the past five years, which will provide helpful evidence for our Middle States self-study.

Curriculum and Coursedog Update: The College has purchased curriculum software called Coursedog. Our reason for purchasing the software is to increase efficiencies in our curriculum process. As we implement Coursedog, we will undertake a review of our processes, including new course creation, MCS revision, program revisions, new program creation, microcredential creation, and program discontinuation. We will engage with faculty to discuss current points of concern in our process (as well as what works) and develop strategies to improve our process before we implement the software. We anticipate starting this conversation at the February Faculty meeting.

Study Abroad: We had two study-abroad trips successfully run between the Fall and Spring semesters. Last Spring we ran our first Study Abroad trip since the pandemic (led by Kelly Wessell), and this year is the first time we've had multiple trips run in the same semester. The trip to Cambodia to study English and anthropology (led by Angela Palumbo and John Troyer) ran without a hitch. The trip to the Dominican Republic to study food systems, culture, and cuisine (led by Amanda Bisson and Todd McLane [with a shout-out to Sue Mueller]) had some bumps – like a missed flight – that required some creative problem solving but was a success overall. Last year we updated our Study Abroad Policy, and we have been enacting new procedures for these trips. I want to give a huge shout-out to Melinda Slawson, the interim Director of Global Education and Initiatives, for all of her work to bring back these programs, analyze our systems, and improve our processes. Thank you to everyone who helped these trips go abroad and make it back home safely.

BOARD OF TRUSTEES REPORT

Vice President of Student Affairs and Senior Diversity Officer February 2024

Athletics and Recreation

On Friday, January 26, members of the Athletics Department met with all Spring SA's regarding academic success while in-season. Women's Basketball sits in 7th place in final Region III Coaches' Poll https://www.tcpanthers.com/sports/wbkb/2023-24/schedule Men's Basketball in 4th place heading into final weeks of regular season https://www.njcaaregion3.org/sports/mbkb/2023-24/d3/standings. February and March bring large community events to campus. On February 15 and 16 TC3 hosts the IAC High School Boys' and Girls' Basketball Championships. Last, Kevin Kurcoba has been named the Men's and Women's Golf coach.

Campus Police

In the month of January: Campus Police officers participated in active shooter training designed to give officers reality-based experience in best practice response and mitigation strategies for active threat events. The training was led by SUNY Cortland Police instructors and hosted on the TC3 campus during the week of the 8th-12th. Officers from law enforcement agencies throughout Tompkins and Cortland County were able to attend and take advantage of this valuable training opportunity. Campus Police administration completed an eight-hour Department of Homeland Security and Federal Emergency Management Agency certified course in Campus Emergency Prevention, Response and Recovery. The course was instructed by LSU NCBRT Academy of Counter-Terrorist Education and was geared towards campus public safety administrators with responsibility for managing large-scale emergency incidents. As part of ongoing emergency preparedness education efforts, the 2024 Emergency Readiness and Response Guide 2024TOMPKINSCORTLANDCOMMUNITYCOLLEGEEMERGENCYRESPONSEGUIDE.pdf was sent to the entire campus community, and new students were presented with important safety, security, and emergency readiness and response information during spring new student orientation.

Childcare

The Childcare Center continues to recruit for eight (8) positions. One of those positions is the Education Coordinator/Assistant director. We currently have 6 staff members taking ECHD classes while working full-time. Some are working on their Micro-credential for teacher assistants and others are on their AAS degree. The director is participating in an Ensuring Equity and Inclusion in Childcare project through the Child Development Council. We are about half done with the meetings and then we will receive \$700 in grant funds from them to purchase items for our classrooms that help increase DEI in the classrooms. The Childcare program also received our official 4-star quality rating after a visit from a QualityStarsNY specialist. We are currently working with our QSNY specialist to see where we can improve in each classroom to make it to a 5-star rating.

Health and Wellness (HWS)

HWS is restarting our campus Active Minds chapter (a student club focused on mental health awareness). Case Manager Lynette participated in the SUNY Homeless Liaison meeting and the Tompkins County Suicide Prevention Coalition meeting. HWS Counseling is hosting graduate practicum student Blair MacDonald for the spring semester. Blair will provide some supervised individual counseling and use his experience as a military veteran to help build support for our student veterans. Students are presenting to Counseling at a typical pace for early in the semester. HWS rearranged the Panther Pantry from student feedback to provide more space and smoother traffic flow. HWS recovered clothing and other items from the Global Office. They are now available in the Closet. Also, Office Manager and Pantry Coordinator Sayre spoke at a press conference to advocate for a funding increase to provide food through HPNAP and Nourish NY.

Office of Diversity Education and Support Services (ODESS)

EOP has partnered with College Initiative Upstate (CIU) of Tompkins County to support individuals who have reentered the community after incarceration. CIU includes individuals who are court-involved, have low income, are section 8 recipients, stable in recovery, and underemployed. They provide two college prep sessions per year, offering wrap-around services to ensure students' success in completing their degrees. They have had several program graduates attend TC3, and their college access programs continue to support their educational journey. A winter bridge program proposal has been submitted to SUNY EOP for additional financial assistance for the additional number of students.

Residence Life

Residence Halls reopened for new students on January 19th and for returning students on January 21st. We have 253 residents for the spring 2024 semester and are utilizing Tompkins, Cortland, and Cascadilla Halls. Resident Assistant mid-year training was held on January 19-21. RAs received training in conflict resolution and de-escalation techniques, bystander intervention, campus and residence hall policies and procedures, event planning, community building, and incident response. This year, we also completed QPR Gatekeeper training, a national mental health and suicide prevention program.

Student Activities

Student Activities had 35 booths at the Spring Get Connected Fair, and 140 student attendees. The event featured 12 student Clubs and Organizations, 6 community groups/resources, and 17 student-facing departments and organizations. Club officers and advisors met with Student Activities staff on Tuesday, January 30th for the first club training of the semester. New clubs for the semester are Active Minds, Panther Debate Club, Book Club, and Sustainability Club. Debate Club and Audio Alchemy clubs are looking for advisors for the Spring semester.

Student Success: Advising, Career, and Transfer Services

The spring 2024 semester kicked off with improved enrollment numbers across all student types. Enrollment is up by over 13% both by headcount and FTE when compared with this time in Spring 2023. Additionally, first-time full-fall-to-spring retention is up to 80.3%. This is a significant increase from the Fall 22 to Spring 23 rate which was 74.6%. Also, Our new Student Success Advisor Logan Labiendo begins February 5, and we are excited to have her join the team. As the team moves into the regular semester cycle, we will start planning for the fall enrollment cycle, slated to begin in April. Additionally, planning for Road to Registration is underway, focused on continued improvements to fall-to-fall retention

Interm Dean of Student Affairs Office

January, there were 2 conduct incidents involving 3 students. Of these, 1 had marijuana charges. A conduct board was held for the 2 students who were summarily suspended before the break. One of those individuals was expelled; the other was suspended for 1 year. There were also hearings for some break-closing violations (health and safety, covered smoke detectors, etc.) None of these resulted in removals or suspensions. We have had 2 new referrals to CARE team in January. Of the 31 fall student referrals, 18 are registered for spring.

Respectfully,

Seth A. Thompson

Enrollment Management Board Report February 2024

With the spring semester underway and reflecting double digit percent enrollment growth from a year ago, we are moving forward with the both our strategic enrollment plan update and in hiring some key vacant positions on the enrollment team. The SEM working group has had its first meeting with our consultant advisor and is moving forward to develop a college-wide strategic enrollment plan (SEP). On the staffing side, we have established our search committee for the Dean of Admission and Recruitment position that will replace the current interim hire in that role. We have advertised the position and have had several strong inquiries. We plan to move swiftly and seriously to review, interview, and hire an outstanding candidate. Additionally, we are searching for a new Admission Advisor. We have several interviews scheduled and we believe we have a solid pool. We hope to be able to review and hire in next few weeks.

We are also moving forward to interview candidates for the Director of Enrollment Management Systems and Slate Captain. That hire will allow us to better upgrade and connect our campus systems that drive and impact enrollment efforts. We recently sent several staff members to a Slate training event provided by SUNY Central Administration. The feedback is that it was very informative, and several staff members are already using what they have learned to complete their jobs more effectively and efficiently.

Our strategic marketing department welcomed a new member to their team. Steve Erwin joined us this month as our UI/UX Front-End Developer and Web Captain. His primary task will be a major website overhaul. We have also made significant progress towards the finalization of a college-wide marketing plan. While we are working hard to create a robust, year-long strategy, we are also executing several tactics that will aide in bringing our marketing technology on-par with other peer institutions. We are moving forward with Meltwater, a PR and social media management tool, and MediaValet, a digital asset management tool. We have also signed contracts with vendors to expand our photo library and our Google advertising efforts.

This and last month are busy ones in concurrent enrollment as we wrap up our fall courses (helping instructors submit their grades and report on Student Learning Outcome assessments, and administering end-of-course evaluations) while getting ready for spring (processing applications for new instructors and courses, building the spring catalog within PowerCampus, and conducting orientations for new instructors). Registration began smoothly on January 29 for the spring semester. By the end of our first day, over 400 students had registered for courses. Over the next six weeks, we expect about 5000 students to register. Although the registration process is primarily online, the CollegeNow office assists students with their myTC3 accounts and obtaining Certificates of Residency.

In addition to the concurrent enrollment at our high school partners, this spring we registered 126 high school students into 21.2 FTE of coursework online or on-campus; this represents a

26% increase in headcount and a 65% increase in FTE. Most of these students are attempting to complete their TC3 degrees while in high school; we have 99 such "Early Degree" students who expect to complete their degrees this year. Some of the students are homeschoolers pursuing their high school equivalency diploma through earning 24 college credits. We also enroll youth at MacCormick and Finger Lakes Residential in coursework.

In our workforce development department, BIZ secured SUNY Customized Training Workforce Development Grants for BorgWarner for Manufacturing Supervision Training and Seven Valley Specialty Cables to increase electrical and forklift skills for production efficiency and safety. We are in the process of scheduling training to be completed this spring. Training for the City of Ithaca for Strengthening Electrical Understanding Basics for Building Maintenance Staff has concluded. This took place throughout the month of January. Stork H&E Turbo Blading is wrapping up two months of computer training. SUNY Customized Training Workforce Development Grants were secured to support these training efforts as well. We are working with Tioga County and Ithaca Childcare Center to develop spring training programs and grant submissions.

BIZ is working with Tompkins Workforce NY and Cortland Works Career Center to develop a series of career development and exploration workshops. These will be open to the public and held onsite at the County Career Centers. The series for Tompkins Workforce NY is preparing community members for the Oven Fresh Job Fair (held at TC3) and fall registration. The series includes goal setting, application materials, and growing your professional network. Cortland's workshop will center on preparing to attend the next Oven Fresh Job Fair.

Report to Board of Trustees Campus Technology February 2024

2023-2024 Goals

- Complete Power Campus/Slate Integration via Constituo by 9/1/2024 (in concert with Richard Floyd)
 - Progress report At the request of Dr. Kremenek, I have begun discussions with Strata
 Information Group (SIG) in order to coordinate stakeholders, analyze the issues in the business
 process and systems, plan a solution, and see that solution to execution by 9/1/2024.
- Implement NYSERNET Internet connection by 2/28/2024.
 - Met with all stakeholders, discussed technical aspects and responsibilities of the project, and
 discovered some inconsistencies and unknowns. We're currently working with stakeholders to
 determine viability, cost, and project parameters. Due to the complexity and resource
 constraints, this project will not be completed by the goal date.
- Procure and migrate to updated datacenter equipment using an appropriate mix of cloud and on-premises resources by 4/1/2024.
 - Solutions have been engineered and priced with VAR's. I will discuss these options with Dr.
 Kremenek and hope to present them to the Board of Trustees in the February meeting for questions and possible endorsement to move forward with the recommended solution.
- Replace 12 remaining end of life campus fiber optic connections by 9/1/2024.
 - Waiting on partner to provide quotes for remaining fiber replacements. I hope to move forward as quickly as possible with completion prior to goal date.
- Complete the 2024 2027 Technology Strategic Plan by 11/30/2023.
 - Delayed due to resource constraints, but progress is being made and plans are becoming clearer and more focused.
- Upgrade Power Campus Admin, Power Campus Self Service, and MyTC3 by 4/1/2024.
 - Currently upgrading and testing our development instance as tabletop exercises prior to production upgrades. Production upgrade scheduled for late March 2024.
